

## Automation Team

Contact	Title	Products	Phone	Ext.	E-mail
<b>Rob Reilly</b>	<b>Automation Manager - Software Specialist</b>		<b>519-336-8550</b>	<b>235</b>	<a href="mailto:rreilly@electrozad.com">rreilly@electrozad.com</a>
<b>Rockwell Software/Process Control/Pavilion Advance Process Control</b>					
FactoryTalk Suite, SCADA, Data Collection, Recipe Management, Batch S88, MES Solutions, Track & Traceability, Scheduling, Emulators, Temporary Activation Files for Software Test Drives, Software Installation and Testing,					
<b>Paul Bouteiller</b>	<b>Automation Specialist</b>		<b>519-944-2900</b>	<b>297/271</b>	<a href="mailto:pbouteiller@electrozad.com">pbouteiller@electrozad.com</a>
<b>Integrated Architecture/Process Control/ICS Triplex Fault-Tolerant Control Systems</b>					
PLC, PAC, HMI, PanelView, Industrial Computers, Safety PLC, Process Control, SIL2, SIL3, Hardware and Software Set-up, Staging & Testing, DCS System Migrations, Proof Of Concept Lab, NetWork and Grounding Surveys, Wireless Comms,					
<b>Dave Dumouchelle</b>	<b>Automation Specialist</b>		<b>519-944-2900</b>	<b>229</b>	<a href="mailto:ddumouchelle@electrozad.com">ddumouchelle@electrozad.com</a>
<b>Integrated Architecture/Motion Control</b>					
Programmable Automation Controller (PAC), PLC's, Integrated Architecture Solutions, RSLogix Software, Sercos, Kinetix, Mechanical Actuators & Gearboxes					
<b>Dave Blake</b>	<b>Automation Specialist</b>		<b>519-944-2900</b>	<b>215</b>	<a href="mailto:dblake@electrozad.com">dblake@electrozad.com</a>
<b>Industrial Control/Essential Components/Safety/Connectivity Systems</b>					
Industrial Control, Safety Relays, Light Curtains, Laser Sensors, Proximity and Non-contact Sensors, I/O Connection Systems, SoftStarts, Vacuum Contactors, Pre-Wired Swing arms, Terminal Blocks, On-Machine, Fail Safe Systems					
<b>Andy Amaral</b>	<b>Automation Specialist</b>		<b>519-944-2900</b>	<b>260</b>	<a href="mailto:aamaral@electrozad.com">aamaral@electrozad.com</a>
<b>Variable Frequency Drives/Rockwell Automation Support &amp; Services</b>					
Low Voltage & Medium Voltage Variable Frequency Drives, AC Motors, Spare Parts Agreements, TechConnect Support Contracts, NetWork Health Check, Service Personnel Block Of Time, Installed Base Evaluations, Remanufactured Parts, Extended Warranties					
<b>Dan Curtis</b>	<b>Inside Sales, Hi-Tech Specialist -</b>		<b>519-944-2900</b>	<b>257</b>	<a href="mailto:dcurtis@electrozad.com">dcurtis@electrozad.com</a>
<b>Integrated Architecture/Software/TechConnect</b>					
PLC, PAC, HMI, PanelView, Industrial Computers, Safety PLC, Process Control, SIL2, SIL3, Pre-Wired Swing arms, TechConnect, Step Forward Upgrades/Migrations, Rockwell Encompass Partner, PEPPERL+FUCHS Process Automation, Rockwell Software Toolkits					
<b>Ian Heater</b>	<b>Inside Sales, Hi-Tech Specialist - Sarnia</b>		<b>519-336-8550</b>	<b>242</b>	<a href="mailto:iheater@electrozad.com">iheater@electrozad.com</a>
<b>Integrated Architecture/Software/TechConnect</b>					
PLC, PAC, HMI, PanelView, Industrial Computers, Safety PLC, Process Control, SIL2, SIL3, Pre-Wired Swing arms, PEPPERL+FUCHS Process Automation, Rockwell Software Toolkits					
<b>Keith Taylor</b>	<b>Inside Sales, Sarnia</b>		<b>519-336-8550</b>	<b>234</b>	<a href="mailto:kitaylor@electrozad.com">kitaylor@electrozad.com</a>
<b>Motor Control Centres ( MCC's)</b>					
Low Voltage and Medium Voltage MCC's, IntelliCentres					
<b>Brian Moore</b>	<b>Inside Sales, Hi-Tech Specialist - Windsor</b>		<b>519-944-2900</b>	<b>273</b>	<a href="mailto:bmoore@electrozad.com">bmoore@electrozad.com</a>
<b>Integrated Architecture/Motion Control Centres/VFD's/Motion Control</b>					
Variable Frequency Drives, Motion Control, Softstarts, Low Voltage and Medium Voltage MCC's, IntelliCentres, Service Call Outs, Spare Parts, PEPPERL+FUCHS Process Automation					
<b>Windsor Office: 519-944-2900 1-800-265-9597, Sarnia Office: 519-336-8550 1-800-265-7579, Chatham Office: 519-351-9777</b>
